Professional Profile

I am a motivated, technologically savvy, personable photographer and educator with a drive to succeed. Talent for quickly mastering software on PC or Apple based OS, fluent in the entire Microsoft Office Suite, Adobe Creative Suite 2 and 5. Will find the more efficient route of completing a project while still creating a first class product. Flexible and versatile – able to maintain a sense of humor under pressure while quickly creating a quality product. Thrive in deadline-driven environments with excellent team-building skills.
